## HYDRANT HOSE DOLLY

- ★ Durable, heavy wall, cast aluminum
- ★ 11.7" long support (300mm)

- ★ Steel hanger also is lifting
- ★ Highest quality casters

OPTIONAL HANGER DESIGN

Hose dollies, long recognized as more economical and reliable than hose reels for hydrant hoses, are usually fabricated locally from available materials. Professionally designed, our hose dolly overcomes the numerous problems that have occurred with other designs.

Of special importance in our design is the caster. Look at these features:

- Nickel plated steel construction
- Ball bearing swivels have stainless steel balls
- Lubricatable bearing design
- Ball bearing wheels
- Durable neoprene tires
