THE GAMMON GATOR CLAMP

A MODERN, HEAVY-DUTY GROUNDING AND BONDING CLAMP

At Gammon Technical Products, we have sold grounding clamps and millions of feet of cable over the decades, but we have never made our own unique clamp - until now. The Gammon Gator is designed to surpass all previous clamp designs in every way. It is easier to use, inexpensive, and 100% made in the USA.

- Aluminum magnesium alloy - light, durable, and highly conductive and corrosion resistant
- Longer, more comfortable design is ergonomic and easy to use - yet light and inexpensive
- All high-grade stainless/brass fasteners and spring - includes two cable connections and our unique strain-relief cable attachment design
- Cycle tested to 100,000 cycles without measurable wear
- Salt sprays and salt water erosion tested and passed to Mil Spec
- Drag and run-over tested without breakage or failure
- Less than 1/2 lb. (.2kg) & 6" long
